

HOW TO SEARCH AND LIST A CPID FROM RELAY HEALTH PAYER LIST

[Relay Health CPID \(payer id\) search](#)

Here are the steps to search for a claims payer id. You can enter into a specific field or use a combination of fields to run the search.

1. Please log on to collaboration compass with username and password provided to you.
2. Select the "Claim Type" filter as *Professional* (Or *Institutional*, if you need to search for Inst. payers)
3. On the "Product Type" drop down select *claims*
4. Enter the Insurance name into the "Payer Name" field.
5. In addition, you can also select "Insurance" if you know the payer is for eg. - a "Commercial" or "Blue Cross/Blue Shield" or other.
6. Click on "Search" to list the results.

Payer Search

You may use the percent sign (%) for wildcard searches. Placing the percent sign (%) in the CPID field will provide a complete list of all Payor Connections.

Note: Internal CPIDs will return as search results only when 'ALL' is specified in the Clearinghouse ID droplist below.

CPID	<input type="text"/>	Claim Type	Professional ▾
Payor ID	<input type="text"/>	Insurance	▾
Elig. Payor ID	<input type="text"/>	Product Type	CLAIMS ▾
